

DPMedLink

Reliable Medical Support When You Need It

DPMedLink

We are a provider of Medical Assistance Services in Thailand, offering services to individuals, expatriates, tourists, and business clients with a commitment to fast, reliable, and professional medical coordination anytime, anywhere.

Our Services

01

24/7 Medical Assistance Service

Providing assistance 24 hours a day, 7 days a week, with nationwide coverage across Thailand.

02

Hospital & Insurance Coordination

Coordinating with hospitals and insurance companies for patient transfers to receive emergency medical care.

03

Benefit Verification

Verifying benefits and eligibility for claims to ensure customers receive transparent and fair services.

04

Medical Coordination

Coordinating medical services and patient transfers with the appropriate medical network.

05

Medical Consultation Service

Assessing symptoms and determining the best treatment options.

06

Hotel and Accommodation Services

We offer pre-booked hotel reservation services for tourists or patients coming to our country.

Why Choose DPMedLink?

- **Expertise in Insurance & Health Claims:**

Extensive experience in managing medical billing, reimbursements, and policy compliance, ensuring smooth coordination with insurance providers.

- **Trusted Partner in Risk Management**

Specialized in handling medical emergencies, claim verifications, and regulatory compliance to minimize risks for insurers and travelers.

- **24/7 Dedicated Support**

Round-the-clock assistance with a customer-focused approach, ensuring immediate and reliable support whenever needed.

- **Efficient Medical Assistance Coordination**

Streamlining communication between hospitals, insurers, and patients to reduce administrative burdens and expedite medical services.

- **Strong Industry Networks**

Established partnerships with insurance companies, legal experts, and healthcare providers to deliver fast and effective medical assistance solutions
